1. Please provide any general comments regarding this Environmental Assessment Process.

2. Do you agree with the identification of the preferred 'Alternative Method' for this waste management plan – expansion of the Boyne Road Landfill site, primarily horizontal expansion? If not, why not?

3. Were there any environmental component results (predicted effects) not provided in the information that you were expecting?

4. Are there any additional commitments you would like the Township to include in this EA?

All personal information included in a submission – such as name, address, telephone number and property location – is collected, maintained and disclosed by the Ministry of the Environment, Conservation and Parks for the purpose of transparency and consultation. The information is collected under the authority of the *Environmental Assessment Act* or is collected and maintained for the purpose of creating a record that is available to the general public as described in s.37 of the *Freedom of Information and Protection of Privacy Act*. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the Ministry of the Environment, Conservation and Parks Freedom of Information and Privacy Coordinator at 416-314-4075.
