Are there diversion options not considered in the Study that you would like the Township to consider?

---

---

---

Do you have any comments on how diversion is working, areas for improvement or suggestions?

---

---

---

Please provide any general comments regarding this Waste Diversion Study below:

All personal information included in a submission – such as name, address, email, and telephone number – is collected, maintained and disclosed by the Ministry of the Environment, Conservation and Parks for the purpose of transparency and consultation. The information is collected under the authority of the *Environmental Assessment Act* or is collected and maintained for the purpose of creating a record that is available to the general public as described in s.37 of the *Freedom of Information and Protection of Privacy Act*. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the Project Officer at 437-244-9402 or the Ministry of the Environment Conservation and Park's Freedom of Information and Privacy Coordinator at 416-314-4075.
